Mr. Charles Lowery  
Lincoln School  
West Chicago, Illinois

Dear Mr. Lowery:

Allen W. Dulles, Director of Central Intelligence, asked me to send you the enclosed copies of the address he made in New Orleans before the Edison Electric Institute, as requested in your letter of 17 November 1960. We regret that we can send you only fifteen copies.

Mr. Dulles was gratified to receive your comment on his work and sends you and your students best wishes.

Sincerely,

/s/

Stanley J. Grogan  
Assistant to the Director
